General Comment

Thank you very much, but we don't need the Federal government to tell me how to spend our retirement. we were smart enough to make the money, and plan for retirement. Should we not be mentally able when the time for retirement comes, we raised smart responsible kids who are appointed by living trust to see to our needs.. You guys ruin everything you touch...leave people's retirements alone. I think you're just looking for another way to redistribute income (while some \$ sticks to YOUR pockets). YOU HAVE A HUGE TRUST ISSUE.
